25X1 22. [REDACTED] INTEL BRIEFING - MIDDLE EAST (Arab-Israeli Balance) As a follow-up to earlier briefing of Richard Perle, Permanent Subcommittee on Investigations, Senate Committee on Government Operations, and Stephen Bryen, Executive Assistant to Senator Clifford P. Case (R., N.J.) I advised Dick Perle there was no formal training of Egyptian pilots by Iran. There appeared, however, to be a single check-out ride on an F-4. The other two questions on avionics and electronics environment should be addressed to DOD. Perle said okay.
